

NEWSLETTER

TRINITY PARISH NURSERY SCHOOL
JANUARY 2026

SAVE THE DATES

January 16-19 - NO SCHOOL
Martin Luther King Weekend

FRIENDLY REMINDERS

- Cold-weather illnesses are here. Thank you for helping keep our community healthy by keeping children home when they're not feeling well.
- Please remember to send children in weather-appropriate clothing labeled with their name.

WINTER LEARNING THEMES

Classroom experiences will focus on winter topics such as snow, ice, animals in winter, seasonal stories, and sensory materials that reflect the colder months.

A NOTE FROM ALISON

Happy New Year and welcome back! I hope you all enjoyed a fun winter recess with your families. It has been wonderful to see the children return with big smiles, stories to share, and excitement about being back with friends and teachers. January is a time of fresh starts, reestablishing routines, and settling back into the comforting rhythm of school.

After the excitement of the holidays, children benefit greatly from predictable schedules and familiar expectations. Our teachers will spend the first days of January gently reinforcing classroom routines, supporting social-emotional transitions, and helping children ease back into the school day with confidence and comfort.

A quick housekeeping note: Beginning this month, my newsletter will be sent at the start of each month as opposed to the end.

So great to see everyone back! Wishing you all a happy, healthy start to 2026!

ENRICHMENTS - ENROLLMENT STILL OPEN!

We are still looking for a few more participants for Watercolor Wonders with Ms. Kathleen & Ms. Stacey F on Wednesday afternoons. To allow time for additional enrollments, we are pushing the start date back by one week. It will begin on January 14 and end February 18.

We also still have space in:

- Storytime Adventures (beginning 1/12)
- Beach Art (both sessions beginning 1/7 and 2/4)
- It's Sew Fun (beginning 2/6)

Please let Jamie know if you'd like your child to enroll in any of these enrichments.
