## KINDNESS AT HOME TIP

February is a wonderful time to practice kindness together. Try naming kind moments you notice at home - sharing a toy, helping a sibling, or using gentle words. **When children hear kindness recognized, they're more likely to repeat it.**

## A NOTE FROM ALISON

Happy February! This month at TPNS is all about love, friendship, and the special connections that make our school such a warm and joyful place.

In the classrooms, children will be exploring what it means to be a good friend - practicing kindness, empathy, cooperation, and learning how to express their feelings. Through stories, conversations, play, and creative projects, we focus on helping children notice how their words and actions make others feel, and how small moments of care can mean so much.

February also gives us a chance to celebrate the love that surrounds our children every day - love for learning, love for friends, love for routines that feel safe and familiar, and love for the grown-ups who support them. It's a sweet and meaningful time of year, and one we really enjoy experiencing with the children.

We're looking forward to a month filled with connection, creativity, and lots of heart.

Warmly,  
Alison

## VALENTINE'S DAY CELEBRATIONS

All of our classrooms will be celebrating Valentine's Day on Tuesday, February 10 or Wednesday, February 11. Our celebrations will be simple and age-appropriate, with a focus on kindness, friendship, and inclusion.

Your child's teacher will reach out directly with any classroom-specific details.
