MS. MARIANNE'S AMAZON WISH LIST

Ms. Marianne has added items to her classroom wish list that will support and enhance the children's learning and creativity. Any contributions are greatly appreciated!

The link is in my email.

A NOTE FROM ALISON

Dear Families,

March is here, and our classrooms are buzzing - literally this month, because Ms. Marianne's baby chicks are on the way! The incubator will be set up in Ms. Stacey and Ms. Sarah's room (Room 1), and we can't wait to watch the kids marvel at the hatching process.

It's a lively time in all of our classrooms, with children exploring new ideas, testing out new skills, and enjoying all the little surprises that make learning exciting. This month, we're especially focused on encouraging independence, curiosity, and confidence in every child - while having plenty of fun along the way.

Thank you for being such an important part of our school. Here's to a March full of discovery, laughter, and fluffy new friends!

Warmly,
Alison

SPRING LEARNING THEMES

Classroom experiences will focus on early spring topics such as plants beginning to grow, animals coming out of hibernation, seasonal stories, and sensory materials that reflect the warmer, budding season.

FRIENDLY REMINDERS

Please reserve the spots by the red doors for families with infants 6 months or under or with 3 or more children in tow, and be sure to display your purple parking pass!

If your child is picked up by a grandparent, nanny or another caregiver, please let them know about our parking policy.
