Summer Fun

## A NOTE FROM ALISON

Happy May! A very special thank you to those who attended Spring Into Trinity last night! SUCH a fun night! We're so grateful you took the time to come, connect, and be part of it. Events like that are truly about community, and it wouldn't be the same without each of you. Thank you, as well, to those who generously donated to support the night!

To our incredible committee chairs - **Alexa Prunotto, Cailin MacMannis, Jenny Klvana, and Laura Safran** - as well as **Kat Waugh, Ally O'Neill, and Tierney Ehrhart** - who worked tirelessly behind the scenes to bring Spring Into Trinity to life so seamlessly... your time, energy, and dedication made the night such a success, and we are so grateful. Thank you to Tierney and Alex Ehrhart for so generously hosting us at the beautiful Fairfield County Hunt Club!

Love,  
Alison

## TRINITY CHURCH CHURCH

IN THE UNDERCROFT

EVERY WEDNESDAY FROM 4:30-6:30PM

JUNE 3RD TO OCTOBER 28TH

Did you know Trinity Church is a distribution site for organic food?

For 24 weeks a year, **starting June 3rd**, New York-based Stoneledge Farm delivers organic vegetables, fruits, mushrooms, coffee, and artisanal products through the Community Supported Agriculture (CSA) program. Trinity Church has proudly hosted this distribution site for over 12 years.

If you are interested in ordering a "share" check out [Stoneledge Farm](#) or contact Trinity parishioner, Sarah Bollman - [bollman13@optonline.net](mailto:bollman13@optonline.net)

## POLICE & FIRE VISITS

We are excited to welcome visits from our local police and fire departments this month. These special visits give children a wonderful opportunity to meet community helpers, learn about safety in a friendly and age-appropriate way, and explore emergency vehicles up close. It's always a memorable experience that helps build comfort, trust, and awareness of the important roles these first responders play in our community!
