SEPTEMBER 2026

NOTE FROM ALISON

We are so excited for a new school year! We're looking forward to welcoming our returning families, getting to know our new families, and watching the children discover their new classrooms, teachers, and routines. We're excited to see new friendships begin, new interests emerge, and each child grow in confidence and independence throughout the year. There is so much to look forward to - from learning and exploring to celebrating special moments together. We can't wait to get started!

We'd love for you to consider volunteering as a Room Parent this year! It's a wonderful way to help build community in your child's classroom, support our teachers, and help families stay connected throughout the year. If you're interested, please let your child's teachers know—we'd be so grateful for your help!

IMPORTANT: PAPERWORK REMINDERS

Health assessments and up-to-date vaccinations must be submitted by the first day in order for your child to begin!
