October 30
Costume Parade - Details
Coming!

NOTE FROM ALISON

October brings cooler days, changing leaves, and plenty of opportunities for hands-on learning and exploration! This month, the children will be noticing the changes happening all around them as we explore pumpkins, apples, leaves, and other signs of fall. In the classroom, we'll continue strengthening our routines, practicing independence, and building on the friendships and skills that have developed since the start of the school year. We're also looking forward to seasonal activities, creative projects, outdoor exploration, and lots of opportunities for the children to share their ideas and excitement with one another. We're excited for a busy and fun October!

FALL LEARNING THEMES

Classroom experiences will focus on changing leaves, pumpkins, apples, harvest, and fall weather through stories, songs, crafts, sensory activities, and outdoor exploration!

TRY THIS AT HOME!

Go on a Fall Color Hunt together! Take a walk around your neighborhood and see how many different colors you can find - red, orange, yellow, brown, and green. Talk about the colors you see, collect a few fallen leaves, and compare their sizes, shapes, and textures.

IMPORTANT REMINDER

Flu Vaccines are required
for ALL children by 12/31/26

P

PARKING POLICY

Please reserve the spots by the red doors for families with **infants 6 months or under or with 3 or more children in tow**, and be sure to display your purple parking pass! If your child is picked up by a grandparent, nanny or another caregiver, please let them know about our parking policy.
